

# ANTONIO TARSIA – JURIS DOCTOR

## PRESENTATION

I graduated from University of Trento, with a final grade of 110/110 *cum laude*. During my academic career, I have developed a personal interest in Criminal Law and I have attended courses related to this subject, such as Computer Crime, Comparative Criminal Law and Corporate Criminal Law.

## ACADEMIC CAREER

**University of Trento** – school of law  
2018 – 2024

**Dissertation:** Corporate criminal liability and cybercrimes

## EXPERIENCES

**Internship** - Court of Rovereto  
Rovereto (2023-2024)

From November 2023 until February 2024, I attended an internship at the Court of Rovereto, where I had the opportunity to attend hearings and to write the related verdicts, under the supervision of the judge I was supported by.

**UN delegate** (CWMUN program)  
New York City, USA (2018)

In 2018 I took part in the CWMUN project, organised by *Associazione Diplomatici*. The program allowed students from all over the world to discuss about the main topics debated at the UN.

Dealing with the assigned topics, embodying an UN ambassador, it was an opportunity to deeply analyse the main issues concerning the Country I had to represent (Switzerland) and it helped me developing leadership skills.

It was an ambitious project that let me grow from a cultural and personal perspective.
